

References for Esthetics and Occlusion:

Terry T. Tanaka, DDS

March 28, 2008

1. Predictable single tooth peri/implant esthetics: five diagnostic keys, *Kois J, Compendium, March 2001; Vol.22, No.3*
2. Diagnostically generated anterior tooth preparation for adhesively retained porcelain restorations: rationale and technique, *Kois J, J Calif Dent Assoc., 2004 Feb; 32(2): 161-6.*
3. Introducing the New Screwless Facebow – (Kois Dento-facial Analyzer) handout available from *Panadent Form 501-GR-231 Rev C 1/20/04* (Recommended for transverse disorders) www.Panadent.Com
4. Perceptions of dental professionals and laypersons of altered dental esthetics: Asymmetric and symmetric situations *Vincent O. Kokich, Vincent G. Kokich, and Asuman Kiyak Amer J Orthod and Dentofac Orthoped Aug. 2000, Vol.130; No.2:141-151.*
5. Managing congenitally missing lateral incisors Part 1: Canine substitution *Advanced Esthetics and Interdisciplinary Dentistry Sept. 2007, Vol.3; No.3:p2-12*
6. Periodontal response to early uncovering, autonomous eruption, and orthodontic alignment of palatally impacted maxillary canines, *Schmidt A, and Kokich G, Am J Orthod Dentofacial Orthop 2007; 131:449-55*
7. Factors influencing survival of reconstructions. Consensus report of working group 2. *Zollner A and Belsur U working group 2, Clin Oral Implants Res. 2007 Jun; 18 Suppl 3: 63-72*
8. Interdisciplinary management of Anterior Guidance: a Case Report, *Vincent G. Kokich, Frank Spear, Advanced Esthetics and Interdisciplinary Dentistry Sept. 2007- Vol. 3. No.3*
9. Articles written or recommended by *Dr. Frank Spear: 29 articles*, www.seattleinstitute.com/reference.phtml
10. Facial Pain Survey “Stop, Look and Listen,” *from the Trigeminal Neuralgia Association by Mary Rose Whitney. Copyright 1998. This information is not out of date, if anything, the statistics for misdiagnosis is even greater in 2007. Read this article carefully and it will become apparent how often a misdiagnosis is made for TMD when the etiology is completely unrelated to a dental diagnosis.*
11. *** Management of Temporomandibular Disorders and Occlusion, Jeffrey Okeson, 6th ed. CV Mosby 2007 Recommended very highly.
12. TMD and Restorative Dentistry, *Terry Tanaka 6th ed. 2001, Written for graduate students in Prosthodontics, Endodontics and Periodontics* www.TerryTanakaDDS.Com
13. Treatment Planning DVD (4 hours) by *Terry Tanaka* www.TerryTanakaDDS.Com, *This 4 hour DVD contains all of the guidelines and summarizes the full day program*
